CRIMINAL COMPLAINT

UNITED STATES CONSTITUTION. AND NEW YORK VIOLATIONS

UNITED STATES CODE TITLE 18 VIOLATIONS

CRIMES, CIVIL RIGHTS, FELONIES, HIGH CRIMES and MISDEMEANORS

AFFIDAVIT OF INFORMATION IN SUPPORT OF A CRIMINAL COMPLAINT

I Aaron Singleton the Complainant Affiant in the Instant matter, am reporting, by AFFIDAVIT, to this Court, United States Attorney, New York State Attorney, Insurance Commissioner believed to be the competent authorities to which knowledge of Criminal actions should be reported. This Affidavit is filed pursuant to 18 United States Code Section 4 (18 USC 4), the FEDERAL RULES OF CRIMINAL PROCEDURE RULE 3. Title 18 (18 USC) Section 4 States:

Whoever having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some Judge or other person in civil or Military authority under the United States, shall be fined not more than \$500 or imprisoned not more than three years or both

I Aaron Singleton the Complainant Affiant in the Instant matter, herein openly declare and depose that the above named Respondents did knowingly and willfully act and conspire to oppress, injure, and damage this Complainant

IN VIOLATION OF USC TITLE 18 241 CONSPIRACY AGAINST RIGHTS

IN VIOLATION OF USC TITLE 18 242 DEPRIVATION OF RIGHTS UNDER COLOR OF LAW

Affiant as herein below set forth, and by evidences set forth in the Attached COMMERCIAL AFFIDAVIT

All of the Affidavits, Notices, and Filings, of this Complainant Affiant have been issued as the truth, the whole truth, and nothing but the truth, to the best of my experience, knowledge and belief. The Affidavits I have issued were sworn to as TRUE, CORRECT and COMPLETE. The Respondents have admitted to and acquiesced to the crimes which the Complainant Affiant complained about and sought to protect himself from further abuses. Their continuing on with the wrongful actions against this Complainant, the accused Respondents are acting in knowledgeable and willful criminal assaults against the Complainant, and in knowledgeable and willful VIOLATION OF Respondents Oath of Office. In order for a crime to exist, four elements must exist; first there must be a clearly defined crime or criminal action; second, there must be a victim; third that the victim must have been damaged or injured, and fourth, the criminal intent must be established on the part of the accused. Without proof of all four elements no action can be considered criminal. In this matter, the Complainant Affiant is the victim, the commercial Affidavit sets the complained issues and this criminal complaint defines the crimes, verifies the actual damages, and the intent was established by proof of the Respondents (imprisonment of Complainant) Legal arguments on the record at court proceedings, they were notified and warned of their wrongs and was required to right them.

the Respondents acted willfully against this complainant Affiant. The complainant Affiant exercises his unalienable Right against, THE PEOPLE OF THE STATE OF NEW YORK, a State agency, and its agents for a redress of grievances (fraud, Deprivation of rights, Perjury of oath, False Arrest and Imprisonment, Malicious Prosecution, Criminal Contempt against Due process of Law, Plus other noted wrongs) by this Verified Criminal Complaint.

Therefore, the Complainant Affiant Aaron Singleton, sets forth to the candid community the abuses of FELONY, HIGH CRIMES and MISDEMEANORS, by the Respondents. The above named Respondents, in the instant action have supported criminal actions by willfully and knowingly: DENIED A RIGHT to due process of law. Such denials include but are not limited to the right to work, the right to receive just reward of labors, denying access to the multiple constitutional rights and specifically acting against the complainant Affiant under a color of official right. It is a "taking action" denying the right to personal property violative of the provisions of the State Constitutional Provisions and under the Fourth and Fifth Amendments to the Constitution for the United States. The right of due process of law requires before any sort of judgement against an individual, that he has had opportunity to defend himself of any accusations or claim, that he has had an opportunity to state his case, he has had a proper and lawful judgement by a jury of his peers, or by a knowledgeable waiver of the right to answer

The PEOPLE OF THE STATE OF NEW YORK officials or agents against that due process by acting in a criminal conspiracy, to defraud the Complainant Affiant of his property, (LIBERTY) giving such property to the THE CITY OF NEW YORK DEPARTMENT OF CORRECTIONS WITHOUT ANY KIND OF LAWFUL JUDGEMENT, CONTRACTS, OR PROOF OF CLAIMS, THE PEOPLE OF THE STATE OF NEW YORK IS therefore guilty of denying the COMPLAINANT AFFIANT Aaron Singleton, every constitutional Protection afforded- an act of TREASON (defined below), an act of a MIXED DOMESTIC WAR.

DOMESTIC MIXED WAR- A Mixed war is one which is made on one side by public authority, and the other by mere private persons. (Black's Law Dictionary 5th Ed. Page 1420), war does not exist merely because of an armed attack by Military forces of another nation until it is a condition recognized or accepted by political authority of government which is attacked, either through an actual declaration of war or OTHER ACTS DEMONSTRATING SUCH POSITION (Savage v. Sun Life Assur Co. of Canada D.C. 57 F SUPP 620, 621).

- WAR is the disintegration of Peace; Webster's State "a State of hostility, conflict or antagonism, a struggle between opposing forces," not necessarily open violent armed confrontations, although a continued state of disrupted Peace by any force could lead to open armed conflict. The defendants are hereby accused of the following Crimes, against, and violations of the rights of the

property without due Process of law, reducing the Affiant to the condition of a slave. As such, these are in fact in violation of the State and Federal constitutions that abolished slavery.

- TREASON. Treason is defined as the assault against the authority to whom one owes allegiance. It is one of three specific crimes named in the United States Constitution. It requires that one commit an act of war against the constitution, or giving aid and comfort to an enemy. Such clearly defined actions by government officers and such private officers who have privileged authority in commerce by the constitution, in specific connection to the above violation, malfeasance of office along with violating their oath of office and in the related connected activities herein as listed below is nothing short of TREASON, see DOMESTIC MIXED WAR above, and there is no other term or set of terms that accurately define such activity. THE PEOPLE OF THE STATE OF NEW YORK have willfully violated the basic fundamental principles this country was founded on, and therefore condoned the acts of TREASON by so-called governmental officials against the undersigned, making them liable for such acts of TREASON by refusing to stop such actions against the complainant Affiant Aaron Singleton, when they had the power and authority to do so. In addition to and along with the above cited crimes, the respondents acting in concert with such so-called government officials to complete such acts as listed as follows:

people of New York State REPUBLIC. Such rights or obligations are secured, Preserved or defined by the Constitution to Prevent Such abuses by both employer and of government officials (state officials) by their oath to support Said Constitution (67 CJS, officers, section 46, oaths).

-MALFEASANCE OF OFFICE. By such wrongful action, these individuals have acted with malfeasance of office in conspiracy with Agents of THE PEOPLE OF THE STATE OF NEW YORK and THE CITY OF NEW YORK DEPARTMENT OF CORRECTIONS deliberately, knowingly and willfully violating Said rights are guilty of misconduct in office, whether Public or Private.

-SLAVERY The civil relation in which one man has absolute Power over the life, fortune, and liberty of another. The Respondents have denied the right to "fortunes" earned by the labors of the Affiant. The unlawful conversion of such Property and giving it to another without due Process of law, forcing the Affiant to work for less than what was lawfully and contractually agreed upon, breaching interpersonal contracts and relationships, is criminal. The Respondents have absolutely refused to communicate in GOOD FAITH with the Affiant. They have refused to disclose the lawful authority by which they act, the contract in default or the damages which they claim created the so-called liability. There is no judgment of any kind that they can produce showing and liability. By such actions, these have destroyed the right to life, liberty and property by such taking of personal

- FRAUD. permitting shown and demonstrated acts of fraud and actively participated in a scheming conspiracy of untruths and misrepresentations to deceive those who entrusted themselves in dealing in good faith, while specifically acting in deliberate bad faith when such fraud was shown. (USC TITLE 18 § 1001)

- EXTORTION. By such actions of fraud, said Respondents under assumed (usurped) official right and color of office to demand, without any real lawful or proper authority, gave monies of the Complainant Affiant to the PEOPLE OF THE STATE OF NEW YORK and THE CITY OF NEW YORK DEPARTMENT OF CORRECTIONS as Foreign agents (explained below) by use of such misrepresentations and untruths to steal monies under a color and cover of law to raise revenue (USC TITLE 18 § 872, 873)

- GRAND THEFT. By such actions of fraud and extortion, the monies stolen, or damages sustained by such actions totalled over \$400 under a guise fines, and penalties under a color of law for exercising one's inalienable/unalienable rights. (USC TITLE 18 § 641)

- ROBBERY. (Attempted robbery) Respondents, by such action of conspiracy under a color of law and official right, used intimidation, threats, and fear by force of imprisonment to extort revenues (USC TITLE 18 § 2112).

- FALSE DOCUMENTS. Accepting false documents that are known not to be true or known to be false to falsely condemn the Complainant Affiant under a color of law without benefit of a lawful trial, to raise revenue by stealing

Monies of the Complainant Affiant and giving it directly to a Foreign agent by Such False Condemnations. (USC TITLE 18 § 1001)

- CONSPIRACY. A confederation of two or more individuals who may not know each other but, by their joint efforts, commit some unlawful or criminal act (Black's Law Dictionary). Multiple Officials, agents and other Persons named properly noticed, and UN-named who under a cover of official right and appearance and color of law continued to perform such acts to continue to raise revenue by fraud and extortion, for any so-called governmental function. (USC TITLE 18 § 241 Federal Racketeering Act, USC TITLE 18 § 1961)

- RACKETEERING. Is the combination of the above identified crimes. TITLE 18 United States Codes Section 1961 (RICO) defines it as involving a host of patterned criminal actions that includes but not limited to an act or threat of murder, kidnapping, gambling, arson, and as in the instant case robbery, bribery, extortion, fraud, slavery, etc.

The explanation of crimes above stem from other hidden crimes being forced upon the people of New York State REPUBLIC. Such crimes and this Affidavit of Information is filed in the overall context of the Bankruptcy of the United States (i.e. District of Columbia, as per jurisdiction set forth in the U.S. Constitution Article 1, Section 8, Clause 17 and 18 and Article 9 Section 3 clause 2). The United States bankruptcy is a direct result of the Federal Reserve Act of December 23, 1913, in which the delegated authority of Congress to be responsible for the nation's currency was illicitly, unconstitutionally and treasonously surrendered to the privately owned Federal Reserve Corporation (a foreign agent).

whose class A stockholders are various international banks.

In place of real money as legal tender (Gold and silver coin U.S. Constitution Article 1 Section 10, Coinage Act April 2, 1792), the Federal Reserve issued Private commercial Paper, drawn on the credit of the United States, consisting of only bookkeeping entries of no substance or reality, on which a real compound interest was charged.

The U.S. Treasury paid the ever-increasing interest in gold and was eventually depleted, with a higher debt than ever. The planned inevitability occurred: BANKRUPTCY.

This bankruptcy was clearly reiterated on March 17, 1993 on the floor of the House of Representatives by James Traficant, Jr. (Ohio) addressing the House. It is recorded in the United States Congressional Record, Wednesday, March 17, 1993 Volume # 33 page H1303. Should anyone doubt the claim....

"Mister Speaker, we are here now in Chapter 11. Members of Congress are official trustees presiding over the greatest reorganization of any bankrupt entity in world history, the U.S. Government." The U.S. Attorney General is the "Permanent Member" to the Secretariat of the Interpol operation, and the secretary of Treasury the "alternate Permanent member." under Article 30 of the "Constitution and General Regulation of Interpol" 22 USC 263 (a), the agents are required to renounce their allegiance to their respective countries and expatriate. Consequently, ALL "public servants," officials, congressmen, politicians, judges, attorneys, law enforcement personnel, the states and their various agencies, are express agents of the Foreign Principals who have bankrupted and stolen the United States through the paper money banking swindle and other frauds and

treacheries, under trappings of "democracy," the flag, "law and order," the Constitution, etc., Americans have been duped into administering and submitting to their own subjugation, bankruptcy, enslavement, and the elimination of their rights, freedom and country. The people have been reduced to Peonage and involuntary servitude under a fraudulent, tyrannical and seditious foreign oligarchy whose express intent is to institute and establish a dictatorship over the people and their posterity through a private, commercial one-world-government (i.e. "THE NEW WORLD ORDER").

These Foreign Principals, through the knowing and unknowing complicity of their Agents, have completely debauched the monetary system (National Geographic, January 1993, THE POWER OF MONEY, page 83), declaring war on and against the people of this country, destroyed the lives and livelihoods of millions of people, aided and abetted the enemies of the American people and their posterity, incited rebellion and anarchy within the de jure society, taken false oaths, entered into seditious foreign agreements, pacts, confederations, treaties, and alliances, and under a pretense of "emergency" which they themselves created, created and formed a multitude of offices of alien allegiance (treason) to perpetrate their plunder, conquest, and subjugation of what was once considered "the last great hope of human freedom." These are truly guilty of SEDITION AND TREASON against the Constitution and declared a domestic mixed war against the people of the United States. (See attached TOP SECRET "Silent Weapons for Quiet Wars, a Manual for Silent Weapons System," 1980 Article of Scientific American, The World Economy of the Year 2000). THEREFORE, the respondents are guilty of the above crimes in
